

High quality wooden toys

Hoge kwaliteit houten speelgoed

About Jouéco

Jouéco is pleased to announce a new range of eco-friendly wooden toys designed to delight and educate children. Our toys are not just fun to play with, they're good for the planet as well since they're made to BCSI environmental standards.

Our wooden toys are made in bright, attractive colours, decorated with original illustrations and guaranteed to keep your child entertained. But they're more than just fun. The toys for each age group (12 months+, 18 months+ and 3 years+) also help develop children's motor and reasoning skills, and creativity.

Jouéco toys are built to last. Unlike many flimsy plastic toys, they won't fall apart after a couple of hours. That means your children can look forward to many hours of stimulating and educational play.

Over Jouéco

Wij laten u graag kennismaken met de nieuwste lijn van Jouéco. Laat u verrassen door ons uitgebreide assortiment met kwalitatief hoogstaande producten. Educatief houten speelgoed voorzien van leuke illustraties, vrolijke kleuren en een fraaie afwerking wat de lijn een zo geheel eigen gezicht geeft.

Ons houten speelgoed is leerzaam en draagt bij aan de motorische en creatieve ontwikkeling van kinderen. In tegenstelling tot veel kunststof speelgoed kan ons speelgoed tegen een stootje en gaat het vele generaties mee.

Het milieu en het productieproces spelen een steeds belangrijkere rol. Wij zorgen er dan ook voor dat al onze producten onder deze voorwaarden geproduceerd worden, zodat wij buiten de kwaliteit ook aan de toekomst denken.
