SILICONE BOWL WITH SUCTION

Crafted from 100% food-grade silicone, our dinnerware sets are free from harmful chemicals such as BPA, PVC, and phthalates, ensuring that your child's meals are served in the purest and safest environment. The soft and smooth texture of silicone makes each piece a joy to touch, while the flexibility of the material adds an element of durability that can withstand the inevitable bumps and drops that come with children's mealtime antics. Our silicone products complies the strict EN14372 safety standards.

STAINLESS STEEL BOTTLE | 500ml

Built to last, our stainless steel children's bottles in a size of 500 and 350 ml, are the perfect blend of durability, safety, and style designed to accompany your little ones on all their adventures. Crafted with the highest quality stainless steel, our bottles are the ideal choice for parents who prioritize both the well-being of their child and the environment. The insulating properties of stainless steel make our bottles perfect for keeping beverages at just the right temperature. The 350ml double wall version can keep the drink hot or cold for hours.

RPET LUNCH BOX

The key feature of our dinnerware lies in its commitment to sustainability. Crafted from recycled PET plastic, these sets contribute to the reduction of plastic waste, giving new life to materials that would otherwise end up in landfills. By choosing our rPET dinnerware, you not only provide a safe and enjoyable dining experience for your child but also instil the values of environmental responsibility from an early age.
