Titaniumbaby

Titaniumbaby **SOLID**

Durability, reliability, and a strong connection to nature are the essence of Titaniumbaby Solid. The products are robust, simple, and recognizable, with a modern look that reflects the robustness and simplicity of the outside world.

Titaniumbaby **smart**

Titaniumbaby Smart focuses on affordability and accessibility without compromise. The products are simpler, with a fresh look that appeals to a wide audience, including budget-conscious customers.

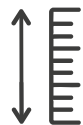

Titaniumbaby SOLID

Article number TB-1630

NOTES

[illegible]

The background image shows a dirt path in a forest. On the left, there are tall, thin trees and dense green foliage. On the right, there are more trees and some tall grasses. In the foreground, the back of a black stroller is visible on the path. A large, light beige circle is centered over the image, containing contact information.
